31 inch Freestanding Bottom Mount Refrigerator with automatic icemaker

Professional Series

$ 1,999

REF31BMFIX

The Bertazzoni 31" stainless steel refrigerator is designed and engineered with the highest grade materials and components. This refrigerator is Energy Star compliant.

This counter-deep refrigerator has ample storage capacity, with over 12 cubic feet of refrigerator volume and 4.9 cubic feet of freezer. The refrigerator compartment has 3 shelves and a full-width crisper drawer with 2 separate compartments. The freezer compartment has 3 drawers. The Total No-Frost air-cooling system for the refrigerator and freezer compartments provides optimal temperature and humidity control to keep food fresher longer. The internal touch-control LED screen simplifies setting and monitoring of all vital functions, with special one-touch functions such as Super Cool, Super Freezer and Energy Saving. Stainless steel doors have special treatment that eliminates fingerprint smudges. LED lights provide clear illumination of the interior compartments. Replacement water filters are available for purchase **here**.

Using one of the 2 available handle kits in Professional and Master Series style, this refrigerator integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

Handle kits are sold separately.

All Bertazzoni appliances are covered by a 2-year warranty.
