

## 48 inch All-Gas Range 6 Brass Burner and Griddle Heritage Series

### HERT486GGASXT

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

The high-efficiency maintop with 6 brass burners and electric griddle features 2 dual ring 19,000 BTU power-burners that boil water in under 6 minutes (best in class), and 4 additional MonoBloc burners of variable size and power to suit every style of cooking, with delicate simmer at 750 BTUs. The stainless steel griddle with integrated cover provides additional cooking options.

The 4.7 cubic feet main oven cavity is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven. The extra wide infrared gas broiler is ideal for grilling and searing at high heat. The 2.4 cubic feet auxiliary oven is perfect for smaller dishes and for warming. Both ovens include convenient features such as smooth telescopic glides for the oven shelves and soft-close doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.

The new **Collezione Metalli** offers decorative details to enhance your Heritage Series range, hood, dishwasher or fridge. You can choose from three real metal finishes: Gold-plated, Copper-plated and Black Nickel-plated.

# Specifications

## Features

### Worktop

Size	48 in
Cooking zones	7
Number of gas zones	6 burners
Griddle zones	electric
Worktop type	electric / gas
Knobs	solid metal
Burner type	brass
Grates	cast iron
Continous grating	yes
Thermocouple safety device	yes
One-hand ignition	yes
Backguard	yes
Wok ring	yes
Simmer ring	yes

### Cooking zones

Power burners	1300 BTU/h - 19 000 BTU/h (2)
Medium burner	1500 BTU/h - 5900 BTU/h (2)
Simmer burner	750 BTU/h - 3500 BTU/h (1)
Griddle power	1100 W
Griddle dual control	yes
Griddle drip tray	yes

### Oven cavity

Oven configuration	double
Oven fuel	gas
Oven convection system	dual horizontal fans
