

24" Refrigerator bottom mount integrated panel ready Heritage Series

REF24PR

The Bertazzoni 24 inch built-in bottom mount refrigerator offers 8.8 cu ft of capacity split between the fridge and the freezer compartments. There are three shelves in the fridge with an added bottle compartment. The panel ready door is reversible for left or right swing installation with sliding hinge panel mounting system.

The total no frost system offers an automated defrosting evaporator that ensures food always stays fresh. It's equipped with LED lighting and an electronic touch interface with user-friendly controls for temperature setting.

To mount a Bertazzoni handle kit on a custom kitchen cabinet panel; use brass threaded inserts available for purchase [here](#)

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.
