

36 Drop-In Low Profile 5 Burners Master Series

QB36M500X

Bertazzoni rangetops and cooktops are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

Available in 4, 5 and 6 burner configurations, Bertazzoni gas cooktops are crafted from a single sheet of highest grade stainless steel, the signature engineering solution of all Bertazzoni maintops. This proprietary design makes it very easy to clean. The dual-ring power-burner is rated at 18,000 BTUs, boiling water in under 6 minutes and simmering at an extremely low temperature. All burners are made from cast brass for enhanced performance.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable. 

Specifications
