

36 inch Dual Fuel Range, 5 Burner, Electric Oven Master Series

MAST365DFMXE

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

The high-efficiency maintop with 5 burners features a dual ring 19,000 BTU power-burner that boil water in under 6 minutes (best in class), and 4 additional MonoBloc burners of variable size and power to suit every style of cooking, with delicate simmer at 750 BTUs.

The 5.9 cubic feet oven cavity is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven. The extra wide electric broiler with optional convection is ideal for grilling and searing at high heat. The oven includes convenient soft-motion doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.

Specifications

Features

Worktop

Size 36 in

Cooking zones 5

Number of gas zones 5 burners

Worktop type gas

Knobs solid metal

Burner type aluminium

Grates cast iron

Continuous grating yes
