

36 inch All Gas Range, 5 Burners Master Series

\$ 3.999

MAS365GASXV

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

The high-efficiency maintop with 5 burners features dual ring 19,000 BTU power-burners that boil water in under 6 minutes (best in class), and 4 additional MonoBloc burners of variable size and power to suit every style of cooking, with delicate simmer at 750 BTUs.

The 5.9 cubic feet oven cavity is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven. The extra wide infrared gas broiler is ideal for grilling and searing at high heat. The oven features soft-motion door. Smooth telescopic glides are available as accessory. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

The fingerprint resistant finish on all knobs, handles, and stainless steel oven door surfaces makes cleaning a breeze.

Optional **Collezione Metalli** décor sets knobs and handles are available in contrasting metals - satin gold and black nickel to personalize these accent style elements on your range, as well as all refrigerators and dishwashers in your kitchen suite.

All Bertazzoni appliances are covered by a 2-year warranty.
