

36 inch Induction Range, 5 Heating Zones, Electric Oven Master Series

\$ 5,699

MAS365INMXV

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

This all-new induction range has 5 high-power heating zones with maximum power output of 3700W. The right-side heating zones can be bridged to create a larger cooking area. Each induction area is controlled with knobs and has a convenient read-out interface on the glass worktop.

The 5.9 cubic feet oven cavity is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven. The extra wide electric broiler with optional convection is ideal for grilling and searing at high heat. The oven includes convenient soft-motion doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

Optional **Collezione Metalli** décor sets knobs and handles are available in contrasting metals - satin gold and black nickel to personalize these accent style elements on your range, as well as all refrigerators and dishwashers in your kitchen suite.

All Bertazzoni appliances are covered by a 2-year warranty.

Specifications

Features

Worktop

Size	36 in
Cooking zones	5
Number of induction zones	5
Worktop type	induction
Worktop design	stainless steel squared
Worktop controls	knobs
Knobs	solid metal
Backguard	yes

Cooking zones

Induction 2 bridge zones	yes
Induction front left	∅ 5 ¾ in - 1400 W (2200 W booster)
Induction back left	∅ 8 ¼ in - 2300 W (3700 W booster)
Induction center	∅ 8 ¼ in - 2300 W (3700 W booster)
Induction front right	Bridge 2100 W (3700 W booster)
Induction back right	Bridge 2100 W (3700 W booster)

Oven cavity

Oven configuration	single
Oven fuel	electric
Oven type	electric multifunction
Oven broiler type	electric
Cooking modes	bake / bottom bake / broil / convection / convection bake / convection broil / defrosting / fast preheat / pizza / proofing / upper bake
Oven volume	5.9 ft³
Oven convection system	dual diagonal with heating element
Inner oven door	triple
Removable inner glass	yes
Oven levels	7
Door hinges	soft-motion

Wire-shelves	2 standard with handle
Tray	1 baking tray with grill trivet
Grill trivet for tray	yes
Oven lights	double lateral

Bottom

Legs	stainless steel
------	-----------------

Technical specifications

Absorbed current (A)	40 A with dedicated circuit
Electrical supply	120/240V 60 Hz - 14 800W 120/208V 60 Hz - 14 000W
