

36 inch Induction Range, 5 Heating Zones, Electric Oven - Gold Accents Master Series

\$ 5.499

MAS365INMBG

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

This all-new induction range has 5 high-power heating zones with maximum power output of 3700W. The right-side heating zones can be bridged to create a larger cooking area. Each induction area is controlled with knobs and has a convenient read-out interface on the glass worktop.

The 5.9 cubic feet oven cavity is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven. The extra wide electric broiler with optional convection is ideal for grilling and searing at high heat. The oven includes convenient soft-motion doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

The fingerprint resistant finish on all knobs, handles, and stainless steel oven door surfaces makes cleaning a breeze.

Master Series Bianco and Nero Matt ranges feature the Collezione Metalli Gold Décor Set, with integrated satin gold handle finials and knobs that give the range a distinctive aesthetic signature. These refined accents enhance the contemporary finish, combining understated luxury with Bertazzoni's timeless Italian design.

All Bertazzoni appliances are covered by a 2-year warranty.

Specifications

Features

Worktop

Size	36 in
Cooking zones	5
Number of induction zones	5
Worktop type	induction
Worktop design	stainless steel with seamless edges
Worktop controls	metal knobs
Knobs	metal
Backguard	yes

Cooking zones

Induction 2 bridge zones	yes
Induction front left	Ø 5 ¾ in - 1400W up to 2200W
Induction back left	Ø 8 ¼ in - 2300W up to 3700W
Induction center	Ø 8 ¼ in - 2300W up to 3700W
Induction front right	Bridge 2100W - 3700W
Induction back right	Bridge 2100W - 3700W

Oven cavity

Oven configuration	single
Oven fuel	electric
Oven convection system	dual diagonal with ring heating element
Oven type	electric convection
Oven broiler type	electric
Oven levels	7
Cooking modes	bake / bottom bake / broil / convection / convection bake / convection broil / defrosting / fast preheat / pizza / proofing / upper bake
Oven volume	5.9 ft³
Inner oven door	triple glass
Removable inner glass	yes
Door hinges	soft-motion

Wire-shelves	2 full size (with 1 telescopic glide)
Tray	1 baking tray with grill trivet
Grill trivet for tray	yes
Oven lights	double side mounted

Bottom

Legs	stainless steel
------	-----------------

Technical specifications

Absorbed current (A)	40 A with dedicated circuit
Electrical supply	120/240V 60 Hz - 14800W or 120/208V 60 Hz - 14000W
