

48 inch Dual Fuel Range, 6 Burners and Griddle, Electric Oven - Gold Accents Master Series

\$ 8.499

MAS486GDFMBG

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

The high-efficiency maintop with 6 burners and electric griddle features 2 dual ring 19,000 BTU power-burners that boil water in under 6 minutes (best in class), and 4 additional MonoBloc burners of variable size and power to suit every style of cooking, with delicate simmer at 750 BTUs. The stainless steel griddle with integrated cover provides additional cooking options.

The 4.7 cubic feet oven is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven. The extra wide electric broiler with optional convection is ideal for grilling and searing at high heat. The 2.4 cubic feet auxiliary oven is perfect for smaller dishes and for warming. Both ovens include convenient soft-motion doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

The fingerprint resistant finish on all knobs, handles, and stainless steel oven door surfaces makes cleaning a breeze.

Master Series Bianco and Nero Matt ranges feature the Collezione Metalli Gold Décor Set, with integrated satin gold handle finials and knobs that give the range a distinctive aesthetic signature. These refined accents enhance the contemporary finish, combining understated luxury with Bertazzoni's timeless Italian design.

All Bertazzoni appliances are covered by a 2-year warranty.
