

30 Insert Hood, 1 motor 600 CFM Master Series

KIN30PROX

All Bertazzoni hoods are designed, engineered and made in Italy using the highest grade materials and components. Every hood pairs perfectly with all Bertazzoni ranges, rangetops and cooktops of the same size and integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

Powered by a 600 CFM motor with three power settings, this high-performance ventilation liner comes with metal baffle filters, easily removable and dishwasher safe. LED lights provide bright illumination of the cooking surface under the hood.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable. 

Specifications

Features
