

30 Double Convection Oven with Assistant Professional Series

PROFD30XT

Bertazzoni ovens are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

The exclusive dual diagonal convection system with 4 separate heating elements ensures even temperature roasting and baking on 7 usable shelf positions with no flavor crossover. The extra wide electric broiler with optional convection is ideal for grilling and searing at high heat. For your convenience, this oven is equipped with telescopic shelf glides and a soft close door system.

The exceptional, energy-efficient performance of the Bertazzoni convection wall ovens is enhanced by the intuitive and easy-to-use interface operated with ergonomic knobs and touch controls. Eleven cooking modes and the exclusive Bertazzoni ASSISTANT - which assists you like a virtual sous-chef in creating, managing and storing your cooking instructions for always perfect results - make this new Bertazzoni oven the perfect partner in your kitchen.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.
