

24 inch Freestanding Bottom Mount Refrigerator Professional Series

REF24BMFX

The Bertazzoni 24" stainless steel refrigerator is designed and engineered with the highest grade materials and components. Using one of the 2 available handle kits in Professional and Master Series style, this refrigerator integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen. This refrigerator is Energy Star compliant.

This counter-deep refrigerator has ample storage capacity, with 7.9 cubic feet of refrigerator volume and 3.6 cubic feet of freezer. The refrigerator compartment has 3 glass shelves, a chrome wine rack and a full-width humidity-controlled crisper. The freezer compartment has extra large freezer drawers to store larger items and make best use of freezer space. The Total No-Frost air-cooling system for the refrigerator and freezer compartments provides optimal temperature and humidity control to keep food fresher longer.

The electronic touch-control LED interface simplifies setting and monitoring of all vital functions. Stainless steel doors have special treatment that eliminates fingerprint smudges. LED lights provide clear illumination of the interior compartments.

All Bertazzoni appliances are covered by a 2-year warranty.
