

30 Over The Range Microwave Oven - 300 CFM Professional Series

KOTR30X

All Bertazzoni hoods are designed, engineered and made using the highest grade materials and components. Every hood pairs perfectly with all Bertazzoni ranges, rangetops and cooktops of the same size and integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

The Over-the-Range Microwave oven has 1.6 cubic feet capacity and a glass turntable over 13.6" in diameter. The smart touch controls with LED display manage 10 power levels, pre-set cooking modes, timer and sensor controls for reheat and defrost. The OTR is equipped with a halogen interior light and 2 LED surface lights to provide bright illumination of the cooking surface underneath.

All Bertazzoni appliances are covered by a 2-year warranty.

Specifications

Features

Hood

Size	30 in
Hood type	OTR
Hood control	touch with LED display
