

30 Over The Range Microwave 300 CFM Professional Series

KOTR30X

All Bertazzoni hoods are designed, engineered and made in Italy using the highest grade materials and components. Every hood pairs perfectly with all Bertazzoni ranges, rangetops and cooktops of the same size and integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

The Over-the-Range Microwave hood has 1.5 cubic feet capacity and a glass turntable over 13" in diameter. The smart control display manages 10 power levels, pre-set cooking modes, timer and sensor controls for reheat, defrost and cook. The OTR is equipped with a child-safety lock and has 2 lights providing bright illumination of the cooking surface underneath

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable.
